VOLUNTEER WAIVER OF CLAIMS

I acknowledge and understand that I am volunteering of my own free will to provide free, volunteer, skilled and/or unskilled labor with respect to a Rebuilding Together Cleveland, Inc. ("RTC") project home and property (jointly called the "Project"). I further acknowledge and understand that the Project may contain hazardous substances or conditions to which I may be exposed in the course of my volunteer activities including, but not limited to, lead paint dust and chips (for example, in older layers of paint) or asbestos (for example, in shingles, plaster, or insulation), which exposure could be hazardous to my health. Nevertheless, I wish to participate in the Project as a volunteer ("Volunteer") and am willing to sign this Waiver of Claims as a required condition to participate in the Project. Therefore, without limiting the generality of the following statement, I hereby release RTC and RTC's directors, officers, agents, representatives, employees and sponsors (collectively, "RTC's Indemnitees") from all liability, and waive all claims and rights to sue RTC and RTC's Indemnitees for any and all injuries, losses, costs, liability, expenses and damages that I might sustain or experience as a result of my participation in the Project as a Volunteer, including, but not limited to, claims resulting from (a) personal injury or death, (b) property damage or destruction, and (c) claims of third parties against me arising from my participation in the Project as a Volunteer.
